

The following Parent and Family Engagement Policy is an example of what our school has developed on an annual basis. School families are engaged in a process of providing input through surveys, face-to-face meetings and feedback forms. An elected School Organization Team made up of representative parents, teachers, and support staff guide the creation of the Parent and Family Engagement Policy each year.

Parent and Family Engagement Policy  
2022-2023**

The administration, staff, and parents of Tom Williams Elementary believe in the importance of providing a powerful learning environment that fosters responsible decision-making, values diversity, and enables all students to master essential skills and concepts in reading, writing, and mathematics. Through continual professional renewal, Tom Williams' faculty and staff accept the responsibility to ensure that students reach their highest potential. All Tom Williams staff members sincerely value parental involvement.

1. This policy has been jointly developed and agreed upon by Tom Williams' staff and the parents of students served in the school pursuant to Title I. Tom Williams Elementary convened meetings on September 9 and 29, 2022 to evaluate and finalize this policy. In order to assist parents with attending these meetings, Tom Williams held them at times that were convenient to parents. Both meetings were held in person. Parents who could not attend the meetings were able to attain information on the school's website.

Tom Williams Elementary will involve parents in an organized, ongoing, and timely way in the planning review, and improvement of Title I Programs, the School Performance Plan, and the Parent and Family Engagement Policy. Family surveys will also be distributed in October or November of each year. Family surveys provide feedback to the school for improving school programs. Survey results will be shared virtually with parents on the district's Learning Management System and in monthly parent meetings.

The results of the Annual District Survey rate the school positively in most areas. Of the parents surveyed:

- 97% of parents Agree or Strongly Agree that the teachers really care about their children.
- 99% of parents Agree or Strongly Agree that the school views them as a partner in educating their child.
- 95% of parents Agree or Strongly Agree that the school involves parents in school events and activities.
- 99% of parents Agree or Strongly Agree that they feel welcomed at school

In order to increase participation in next year's Annual District Survey, school administration will post the announcement on the district's Learning Management System, on the school's website, and send out Parent Links each day during the survey window encouraging parents to take part in the survey. All communication will be distributed in an understandable and uniform format and, to the extent

practicable, in a language parents can understand. Parents will be able to access the survey on computers issued to students if they do not have another computer available at home.

2. All Tom Williams Elementary staff members sincerely value parental involvement. The school's Parent and Family Engagement Policy developed by staff and parents will be distributed in an understandable and uniform format and to the extent practicable, in a language parents can understand. The Parent and Family Engagement Policy will also be made available to the community.

Parents/Guardians were invited to provide input for the Continuous Improvement Plan and Parent and Family Engagement Policy. Families were invited to the School Organizational Team (SOT) meetings held in August and September, as well as Monthly Coffee and Conversation meetings in order to discuss the School Performance Plan and Parent and Family Engagement Policy action steps.

3. The Education Involvement Accords are integrated into the registration process through Infinite Campus. Parents must review Accords prior to completing their child's registration. Administrators and teachers will have access to the Accords whenever needed for parent/student conferences or other occasions, as needed.
