

BIKE

RODEO

Safe Routes to School (SRTS) is a movement that encourages kids to walk and bicycle to school and address barriers that make it hard or unsafe to walk or bicycle to school. The content of SRTS programs tie in with FOCUS:2024 goals to improve academic achievement and attendance. “Overall, academic achievement scores were positively related to fitness levels” (Torrijos-Niño, et al., 2014). SRTS programs are educational and fun for our students, so join us and support CCSD and SRTS.

School Name:

Grade Level:

Date & Time:

You'll Learn:

- **Safety Skills**
- **Skills that will improve your cycling abilities**
